Toilets on the go

A mobile toilet design competition

Call for ideas

Who can join?

- ➔ Open to individuals (aged 18 or above) or teams (consisting of maximum of 5 members) having practical, user-centred design solution for Dhaka's public sanitation crisis.

Submit before
22 October 2025

Can you design a mobile toilet that works for Dhaka's busiest streets, markets, and transport hubs?

WaterAid invites designers, innovators and thinkers to develop practical, inclusive, cost-efficient and scalable mobile toilet designs to shape the future of urban sanitation.

What to expect?

➔ Each winning individual/team will receive a prize money of BDT 1,00,000

➔ Fully reimbursed cost for prototype construction

➔ Real-world deployment scope of built prototype by the city authorities
